

DIY BRIDE

Welcome, we are glad you are here. If you are here you must want to learn more on how this works.

Here is what to expect.

- Schedule a time to chat about what you would like for your wedding flowers. If you don't know that is ok, But, we would for you to at least have your color theme decided.
- After we meet I will put together a list of flowers and figure out approx. how much you will need.
- That list will be submitted to the wholesaler to get pricing
- Once that is received we will meet again to go over price and we will also chat about any substitutions.
- Must have a \$500 minimum flower order there is a 40% charge over the wholesale price.
- We will then schedule a time for you and your party to come in for a fun time of learning care and handling of flowers and a quick design lesson. This is generally done on a Wednesday. or Thursday, the week of the wedding. \$175 fee up to 3 hours.
- You may opt to keep your flowers in our flower cooler until wedding day.
- On wedding day you may have someone pick them up or for a fee choose to have delivery to ceremony location.
